MISS EVA

PRODUCER & DJ

ABOUT

Miss Eva is an Egyptian DJ and music producer whose multicultural journey has shaped a distinctive artistic identity and globally resonant sound. Having studied in Tunisia and grown up in Turkey, she blends diverse cultural influences into a musical vision that transcends borders.

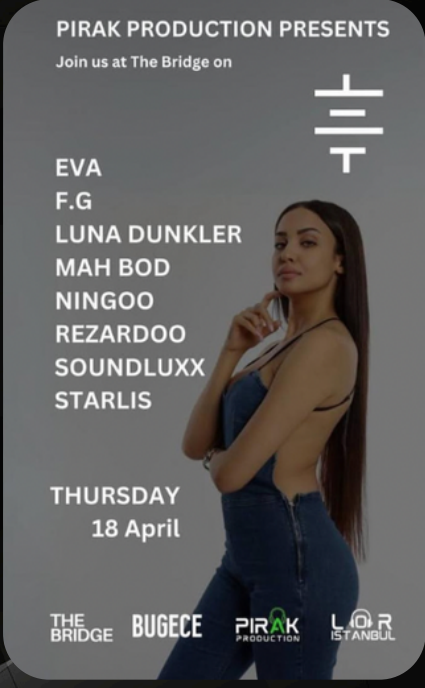

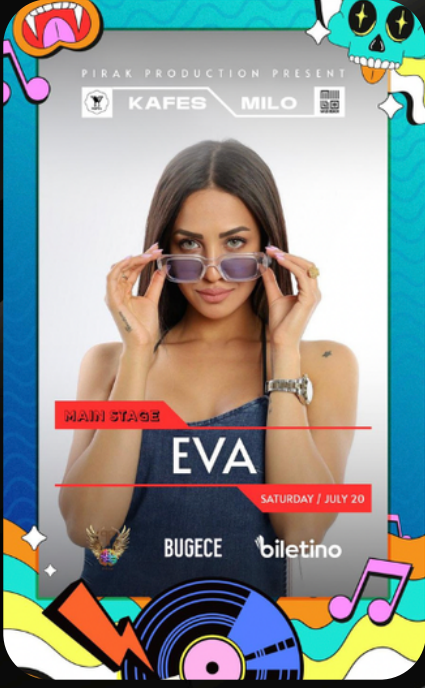

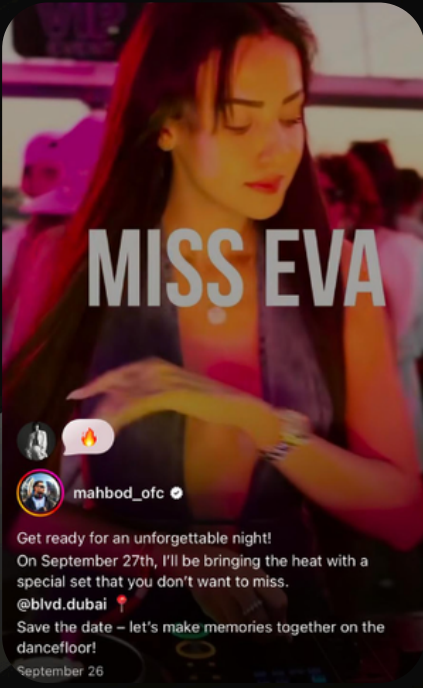

Since launching her professional career, Miss Eva has rapidly emerged as one of the rising names in the electronic music scene. Her dynamic performances and refined musical selection have taken her across the Middle East, North Africa, and beyond, with appearances in Tunisia, Morocco, Egypt, Turkey, Georgia, Oman, the United Arab Emirates, Saudi Arabia, India, and Syria.

Known for her energetic stage presence and emotionally driven sets, Miss Eva has shared the stage with internationally acclaimed artists including Maxim Lany, Santiago Garcia, Moonbootica, Einmusik, Silver Panda, Nodus, Burak Yeter and many others. A defining moment in her career came during New Year 2026, when she performed at Sunburn Festival, captivating an audience of more than 20,000 people and further establishing her reputation on the international circuit.

Beyond the stage, Miss Eva continues to develop her artistic footprint through original productions. Her track “Pink Sky” reached the Top 100 in 2024, marking a significant milestone and highlighting her growing impact as both a performer and producer.

Driven by a passion for electronic music and a commitment to artistic evolution, Miss Eva continues to expand her global presence, connecting audiences through powerful performances, authentic storytelling, and a sound that reflects her unique cultural heritage.
